

SEA HAWK

MARINE LOGISTICS

Oil & Gas / Energy Marine / Project / Air Crafts Agency

Sea Hawk Marine Logistics LLC. prides itself on our client focused approach to customer service and delivery. Our business is growing because we are 100% aligned with our clients' needs, we listen and take a tailored approach to meet exactly what our clients require.

With a dedicated and focused management team around the world we are in a position to offer you:

- A truly global presence
- Clear focus on Quality, Health, Safety and the Environment
- Communications that save you time
- Real local expertise

Sea Hawk Marine and **Norton Lilly International**, a global provider of shipping, logistics and marine services through the NLI Groups. With our client's increasing need for marine & maritime solutions, **Sea Hawk Marine Logistics** earns the trust of our clients with personal touch and with our 200 years of combined experience in the OCS & maritime industry.

Crew Care & Transport

Sea Hawk Marine gives a new and specific focus on the safe handling of your crew in ALL ports.

Sea Hawk Marine is designed to bring efficiency, economy and comfort to your crew's.

- We have dedicated teams, on hand day and night to respond to all the needs of your crew and crew managers.
- We provide fully insured modern vehicles for all crew movements.
- Our experience proves that close cooperation with your crew managers always results in minimizing transit stays.

One Stop Shop solutions are delivered through dedicated client managers who work via an integrated structure of Global and Regional Hubs.

These are firmly established to meet and deliver on client-driven operational and financial requirements.

Our clients expect us to deliver a robust approach by:

- Performance & input management by port operations
- Resolving local issues with reporting back to our clients
- Offering transparency on all activities
